Case No. 4:19-cv-00107
Request for Extension of Time to File Responsive Pleading

Dear Clerk:

I represent Defendant Bull Creek Welding and Fabrication, Inc. ("Bull Creek") in the above-referenced action. I hereby request a twenty-one (21) day extension of time to file a responsive pleading to the Complaint (Dkt. 1).

As shown in Exhibit "1" attached hereto, counsel for Plaintiff, Jager Pro, LLC, consents to our request for the extension of time.

The time to respond to the Complaint has not yet expired. The Complaint was not served upon Bull Creek until Saturday, February 16, 2019. As such, the twenty-one day period for responding, as prescribed by Rule 12(a)(1)(A)(i) of the Federal Rules of Civil Procedure, does not expire until March 11, 2019. Accordingly, this request is timely.

Based on the foregoing, a prompt extension of time is respectfully requested.

Respectfully submitted,

/s/ Keith L. Grayson

Mr. Chiles & Mr. Younger,

We are now representing Bull Creek Welding in the above-identified litigation that your firm filed on behalf of Jager Pro.

My understanding is that a process server served the complaint and attachments on Bull Creek Welding on Saturday, February 16, 2019.

If that did indeed occur, a response to complaint would be due on or before Monday, March 11, 2019.

Can you please provide us with a copy of the executed Proof of Service or file it with the Court (Bull Creek was not provided with an executed copy)?

Pursuant to Local Rule 6.2, we are seeking written consent for a twenty-one (21) day extension of time to respond to the complaint.

Can you please confirm in writing that Jager Pro consents to our request for a twenty-one day extension?

Best regards,

Robert Morris
